

DR SUEED AHMAD SALATI

General Practitioner(Physician)
(DHA MOH) REGISTERED

ABOUT ME

As a seasoned General Practitioner, I bring over 16 years of dedicated experience in delivering comprehensive primary care to a diverse patient population. My expertise lies in accurately diagnosing, treating, and managing an extensive array of acute and chronic conditions, while placing a significant focus on preventative healthcare and patient education. I am recognized for providing compassionate, patient-centered care and for my ability to build and maintain long-standing relationships with patients. My proficiency extends to conducting thorough health assessments, effective chronic disease management, and providing essential mental health support. I am deeply committed to enhancing the overall well-being of my patients and collaborate seamlessly with healthcare teams to secure the best possible patient outcomes.
