SUMMARY

Dedicated and skilled driver with extensive experience in fuel delivery and a strong commitment to safety compliance. Holding a valid No. 3 manual driving license, I have honed my abilities in route planning, time management, hazard awareness, and load securement. Known for my expert knowledge in fuel delivery, I prioritize efficiency and safety in all operations. I am adept at navigating complex routes and maintaining compliance with safety regulations, ensuring timely and secure deliveries. Ready to contribute my expertise to enhance operational effectiveness.

OBJECTIVE

Dedicated and detail-oriented professional with experience in fuel delivery, seeking to leverage my logistics and operational skills in a dynamic organization. Committed to ensuring timely and safe delivery of fuel while maintaining excellent customer service and adherence to safety regulations.

PROFESSIONAL EXPERIENCE

DRIVING

CAFU. Dubai | 16 january 2021 - present

Operated vehicles safely and efficiently, ensuring timely delivery of goods to designated locations. Conducted pre-trip and post-trip vehicle inspections, maintained accurate transportation logs, and adhered to all traffic regulations. Provided excellent customer service during deliveries and addressed any client inquiries or concerns.

EDUCATION

F.A

Federal board . H-9 Islamabad | 2001 - 2002

Participated in the F.A. course, gaining comprehensive knowledge in finance and accounting principles. Engaged in hands-on projects that included financial analysis, budgeting, and forecasting. Developed critical skills in data interpretation, reporting, and financial decision-making, enhancing my analytical capabilities in a business context.

COURSES AND CERTIFICATES

DRIVING LICENSE NO,3 MANUAL

N/A. N/A | N/A

Acquired comprehensive knowledge of manual vehicle operation, including gear shifting, clutch control, and road safety regulations. Developed skills in navigating diverse driving conditions and traffic scenarios, ensuring adherence to legal standards. Demonstrated responsibility and commitment to safe driving practices during practical assessments.
